Football success

Some Year 3/4 girls were lucky enough to attend the annual Girls' Football Festival run by the FA. The girls had the opportunity to measure their shot speed and practise their shooting accuracy as well as many other skills. The second part of the morning saw the girls compete against other schools and they performed wonderfully. They only lost 1 out of 6 games and performed as a team incredibly well.

WELL DONE!

November photography competition

Well done to Millie, Ramirez and Isla/Maisy who came 1st, 2nd and 3rd and were awarded points for their Houses. Their photographs are stunning!

Allotment news

If you walk past our allotments on the way in to school, you will see that we are still growing crops; these include potatoes, sprouts, onions and carrots which will be cooked as part of our Christmas lunch. We are so pleased with our increasing success and the growing interest of the children in gardening. Many thanks to Mr Churchill and Mrs Seamark for keeping us all inspired. And thanks to Leo and Mr Wilcox for a fantastic pumpkin carving effort!
