

## Year 3 / 4: What is it like for a child at Hemingford Grey Primary School?

### Teachers/Teaching assistants/Office staff/Lunchtime staff are.....

- Kind; Help if injured, there for you if worried.
- Challenge us to learn more
- Strict but funny and nice
- Good role models to children
- Help me to understand how to learn independently, but don't do it for me
- Helpful office staff
- Lovely and kind lunch time staff

### Learning is.....

- Great because we learn new things every day.
- Challenging because you always have to learn from your mistakes
- Fun, especially researching big questions
- Using 6Rs to improve
- Incredible, challenging, but supported
- Fun because there are lots of different things
- Putting effort in – our effort is good
- Getting out of the pit

### Dinners are....

- Amazing, Tasty
- Good hygiene, well cooked
- Good variety
- Flavoursome

### Our behaviour is....

- Good but always space to improve; recently we've been working very hard on this
- Nobody is perfect all the time, but we keep trying hard – Green Rocket
- Extremely high standard, focused

### The most amazing thing about my school is.....

- We make friends, learning is new, we have a big open field
- Staff are really kind and you can trust them. The teachers and the head teacher listen to us, answer questions. They put so much work in.
- Lessons are really enjoyable, independent research, maths, English
- We are a team and we challenge each other to succeed
- Celebrations and achievements, lovely classrooms
- Learning – we learn new things, how to stay on task, learn in different ways
- We learn from mistakes, we feel proud when we are praised

### Playtime/Dinnertime is.....

- Fun, play with friends, games to play and equipment to use.
- Time to chat to friends about things we don't chat about in class and run around the shed
- We could be better at tidying up the shed
- Good because our brains get a rest and we get energy for more learning
- Really friendly

### I love it when.....

- We go on school trips because we learn new things
- We do art with resources
- We do practical science
- We get lots of work done and no yellow cards
- We have house tournaments, we feel part of a team
- We get challenged in maths and literacy otherwise we wouldn't learn anything
- We get fun homework projects
- We do PE
- We learn independently

**I'd also like to say that.....** This school is amazing, brilliant, we are glad we come here. When you get challenged, you don't need to cry; you need to be brave. It's a pleasure to have an education at such great school.

**It would be even better if.....** We looked after the play equipment more and had more equipment. We had year 3 / 4 sports teams. We keep trying hard to make learning behaviour really excellent. **Everyone** arrives on time, we did more art, and we all had independent learning passes.
